**MEMBERSHIP MEETING MINUTES
April 10, 2025
Leon's Family Dinning
Dearborn, MI**

The speaker for the evening was Nick Vontroba, teacher at Airport Schools. He teaches a class called "Site Design & Surveying Technology" through the Downriver Career Technical Consortium. He will be discussing the rationale behind the class, together with some of the struggles with survey techniques, equipment, and the students, along with his many successes.

The April 10, 2025, meeting of the Southeast Chapter of the Michigan Society of Professional Surveyors was called to order by Michael Manthei and was followed by self-introductions.

- 1) President Michael Manthei gave a recap of the Board Meeting.
- 2) Richard Goldszer brought up concerns about unlicensed surveys on social media, advertisements for measuring wands and internet survey information from questionable sources. Michael Manthei said he would take the concerns to the State Board.

The meeting was adjourned at 7:40 p.m.

Respectfully submitted,

Jason T. Verran, PS
Secretary
